ANNOUNCEMENTS: Tom Sayer announced that Jekyll Island Music Theatre group will make their annual appearance at the July 19th meeting. As usual, the Rotaryans are invited (at \$5.00 each); sign-up sheets will be circulated at the July 12th meeting.

Dave Daley, in his capacity as District Governor's Representative, extended the latter's regards to our Club, and announced that the District Governor himself will be here for our July 26th meeting. Dave briefly summarized some of the points that the District Governor is expected to cover in his talk at that meeting.

NEW MEMBER: Marion Moore was introduced to the Club as a new member. Marion, a stock broker, resides with his wife, Karen, and family on Youngwood Road here on the Island. Welcome aboard!

TODAY'S PROGRAM: Jack Conyers introduced Charles F. Rinkevich, recently appointed director of FLETC, who gave an interesting and informative talk on FLETC and its present and proposed future operations in the training of federal law enforcement agents. Among other facts, he pointed out that it is presently training around 10,000 agents a year from some 51 law enforcement agencies, that it employs some 700 local people, and has a considerable beneficial financial impact on the local economy.

PROGRAM FOR JULY 12th: Buddy Harris, also from FLETC, will discuss some further aspects of FLETC's operations.
