## Rotary International News—RI President's Monthly Message

### *Building Communities – Bridging Continents*

Several Rotarians have asked me how I chose the RI theme for my presidential year, so let me explain. After reviewing all the past themes, I decided to search for a few words that would fulfill two objectives – to give outsiders a glimpse of our purpose, and at the same time to make Rotarians proud of their membership.

I searched for words to describe the passion, the creativity, and the generosity of Rotarians. And as I sought the right words, I kept in mind that Rotary is a spirit of service as well as an organization of Rotary clubs, and that we need to share our core values of service, fellowship, diversity, integrity, and leadership with other people and organizations. I considered many words and phrases. The four words I finally selected to convey Rotary's current mission and highlight our achievements describe what Rotarians do best, which is ***Building Communities – Bridging Continents. RI President***
